aspirational design at affordable prices

Madison
& Country Stripes

sanderson
HOME

Sanderson HOME offers quintessentially English design with the hallmark of quality and style for which Sanderson is renowned.

**Madison
& Country Stripes**

The second Sanderson HOME collection, MADISON, is a vibrant and joyful range of prints and wallpapers with a contemporary feel. The designs draw their inspiration from organic forms such as grasses, flowers and foliage painted in a simple abstract style, some graphic and some painterly. The medium scale of these fresh, modern designs makes them perfect for interiors, large or small.

Complementing the MADISON prints and wallpapers is COUNTRY STRIPES, a collection of four simple stripes and one plain, inspired by French 19th century ticking weaves.

The products in this collection are designed and made in the UK and the wallpapers are all "paste the wall" making them easy to hang for DIY enthusiasts and professionals alike.

3 TREE TOPS & OCELLI Boldly coloured, graphic tree motifs are paired with a simple, organic pattern, reminiscent of animal prints.

5 PIPPIN & SUMMER MEADOW Layers of overlapping stylised branches with jewel like berries, teamed with finely etched botanical prints.

7 OLIDA & FREYA An exquisitely romantic trail and a modern day floral damask, both painted in a loose, spontaneous handwriting.

9 LAUREL A delicate and pretty print, created through the pressing of leaves found in the English countryside.

11 MYRTLE, STARFLOWERS, ASTA, EBBA, MADISON STRIPE & POLKA Bold, contemporary, multi-coloured floral prints paired with a meandering modern leaf trail, versatile stripes and a fun polka dot.

13 SAXON, BRECON, SUTTON, ANNIS & DEBEN Four classic ticking stripes and a versatile plain.
