Maycott

The first **Sanderson Home** collection **Maycott**, is a beautifully produced range of prints and wallpapers that have a fresh floral theme, bringing the essence of the English garden into the home. The designs draw their inspiration from flowers, woodlands and hedgerows, a subject close to the heart of the Sanderson design team. The scale of these charming designs makes them perfect for interiors from large houses to small cottages. The Maycott collection also has a range of complementary, simple ticking stripes and plains in co-ordinating colours.

3 DANCING TULIPS & ADDISON STRIPE Vibrant swirling, colourful blooms and simple yet smart stripes

5 ANGEL FERNS & AMY Delicate, botanical etchings with tiny fragments of ferns

7 PRIMROSE HILL & FLEUR TRELLIS A tangle of wild flowers and ferns paired with a charming trellis dotted with flowers

9 LILACS Romantic, fragrant lilac in full bloom
